

Waste Sector Working Group
Meeting #2
October 11, 2022
Brinkman Conference Room, Integrated Community, 443 Oak Street
Agenda

1. Call to order and Roll Call
2. Welcome and Introductions
 - a. Ashley Dean - Collaborative Initiatives Manager, YVSC
3. Follow up on Working Group requests from previous meeting
 - **Question from prior meeting – What gets funding from each of the major Sectors and where does it come from?**

CAP Board direction: Current focus is on identifying priorities and bringing those back to the Board.
 - **Request to add a hotel/lodging and construction representative to the working group**

Board approved this request.

Suggestions from group
4. Review and discuss Existing Waste Management Initiatives/Actions worksheet (75 min)
 - a. Review and add to spreadsheet of existing policies, programs, and initiatives that contribute to emission reduction outcomes (Build off tactics identified in CAP).
 - b. Identify additional outreach, if needed, to document existing initiatives from stakeholders not represented on the Working Group
 - c. What and how to count actions and outcomes (with direction from the Board)
 - i. How to measure outcomes in terms of emission reductions and track
5. Next meeting and proposed agenda:

Second Tuesday of the month is November 8th – 9:00-10:30am
